

Subject: The Banker "Deals of the Year" 2011

Dear Ms Abdelreheem,

On behalf of The Banker Magazine it gives us great pleasure to congratulate you on the **\$576m Al Tawfeek Securitisation** being chosen by judges to win "**Deal of the Year 2011**" for the **Structured Finance** category for the **Middle East region**.

Despite a difficult and turbulent past year, The Banker still received a significant number of entries for our Deals of the Year 2011. We will be announcing the results our May 2011 edition of the magazine.

Judges used a wide range of criteria in selecting the winning deals with a strong emphasis on the degree to which client objectives were met as well as the deal complexity, innovation, speed of execution and pricing performance.

Congratulations again on your achievement and wishing you a prosperous year.

Yours sincerely
